Dear Customer:

Regarding your request for FDA Registration to Bioterrorism Act of 2002, we would like to provide you with the following information.

*As a manufacturer of food contact materials, facility registrations with the FDA are not required for our locations, (The definition of "food" in 21 CFR 1.227(b)(4)(i)(A), for the purposes of food facility registration, excludes food contact substances as defined in section 409(h)(6) of the FD&C Act (21 U.S.C.348(h)(6)). Consequently, a facility that manufactures/processes, packs, or holds food contact substances, i.e., food packaging, is not required to be registered).*

ISOFlex Packaging manufacturing facilities (Pompano Beach, Chicago, Nashville, Statesville) are certified to GFSI recognized scheme -SQF Code (Level 3). As part of our program of maintaining updated product safety & quality certifications, our external certification body, regularly audits our facilities. In addition, we conduct internal audits of our processes and procedures throughout each year at every site, with an objective of best practices between sites.

ISOFlex Packaging plants (Pompano Beach, Chicago, Nashville, Statesville) have fully implemented **Business Continuity & Emergency Preparedness Plan, Food Defense and Recall Program**, which are verified and tested at least annually.

Should you have further questions, please contact your sales account manager. We appreciate your business and look forward to our continuing relationship.

Sincerely,

  
Technical Director - Corporate
